

2024 Fountain Health Multivitamin Program

Are multivitamins included in my plan with Fountain Health?

Yes! They are now covered by your pharmacy benefit manager, IPM.

How do I order multivitamins?

- Contact your provider to ask for a monthly or 90-day supply of multivitamins.
- Your provider will need to submit the multivitamin script through your local pharmacy.

Details

- This applies to all members covered with Fountain Health.
- Fountain Health will cover \$10 per month, per member towards the multivitamins, when processed through your pharmacy benefit.
